

UMBRELLA INSURANCE MADE EZ

The life of an insurance broker is a constant time crunch. Renewals. Sales calls. Presentations. It never ends! When every minute counts, the ability to provide insurance for your clients quickly and accurately is a huge advantage. Enter ezumbrella.com – a secure online platform that enables you to take care of your clients' liability insurance needs on time, on budget, and on point. Your schedule just opened up.

Ezumbrella.com by Preferred Concepts enables you to tend to all of your clients' insurance needs under one umbrella. Our secure online platform lets you offer up to \$25 million of commercial liability through top-tier underwriters. It's a modern solution that will change the way you service your clients.

A WORLD OF BENEFITS

Ezumbrella.com is one of the industry's most feature-rich umbrella insurance platforms. In addition to the simplicity of an online solution, you have access to competitive pricing and hands-on service from experienced underwriters. Unlock a world of great benefits with:

- Quick, easy online application process
- One-stop shop for multiple industries and classes
- Multiple limit options up to \$25 million
- Competitive pricing
- Quality paper with financially sound carriers
- Experienced underwriters
- Creative thinking and problem solving
- One policy can cover multi-state, multi-location risks in all 50 states
- Flexibility to schedule multiple carriers on one policy

WE WRITE THAT

Looking to access total umbrella solutions at competitive rates without compromising on the breadth of coverage? Ezumbrella.com insures risks in nearly 1,000 industry codes with policies that are tailored to the needs of seven major industries.

- Real estate
- Retail
- Service
- Restaurant
- Manufacturing
- Wholesale
- Hospitality

REAL PEOPLE. REAL SERVICE.

One of the common concerns with online insurance platforms is the absence of actual people. Not so with ezumbrella.com. We are dedicated to providing brokers with the necessary knowledge and direction to ensure that they are delivering the best possible solution to their clients. Our dedicated service team of experienced underwriters is ready and willing to help. Just give us a call!

ALLIANT SPECIALTY INSURANCE SERVICES

Alliant Specialty Insurance Services (ASIS) combines sound underwriting, superior claims management, and powerful distribution to deliver a range of industry-specific wholesale insurance solutions. We employ a broker-centric approach to the business, offering a full range of insurance and risk management products and services backed by enhanced carrier relationships. ASIS programs are designed to position our broker partners and their clients for optimum success.
